## Statement of intent

The Governors, staff and community of Colby School expect all pupils to receive high-quality teaching and learning in a positive and respectful environment.

Staff and volunteers at the school should understand that their own behaviour, and the manner in which they conduct themselves with their colleagues, pupils, parents and other stakeholders, sets an example.

We recognise that the majority of staff and volunteers act appropriately and treat each other with dignity and respect; however, we consider it important to clarify the expected standards.

This policy forms part of a staff member's contract of employment, and failure to comply with it, and with the associated school policies, may result in disciplinary action being taken, including legal action where this is warranted.

This document applies to all staff and volunteers who are:

- Working or volunteering at Colby School.

This document does not apply to:

- Peripatetic staff members who are centrally employed by the LA.
- Employees of external contractors.

These employees are governed by their employment contracts and any relevant laws pertaining to their activities within the school, for example, the GDPR and the Data Protection Act 2018.

## **Legal framework**

This policy has due regard to all legislation including, but not limited to, the following:

- The General Data Protection Regulation (GDPR)
- The Data Protection Act 2018
- The Education Act 2002
- The Children Act 1989
- The Working Time Regulations 1998 (as amended)
- Sexual Offences Act 2003

This policy also has due regard to statutory guidance including, but not limited to, the following (please refer to the most up to date version):

- DfE 'Keeping children safe in education'
- DfE 'Working Together to Safeguard Children'
- DfE 'Staffing and employment advice for schools'

This policy operates in conjunction with the following school policies and documents:

- Child Protection and Safeguarding Policy
- Health and Safety Policy
- GDPR Policy
- Equal Opportunities Policy
- Whistleblowing Policy
- E-safety Policy

## **Safeguarding pupils**

In accordance with 'Keeping children safe in education', all staff members have a responsibility to safeguard pupils and protect their welfare.

All staff members have a responsibility to ensure that they provide a learning environment in which pupils feel safe, secure and respected.

To effectively safeguard pupils, staff members are required to follow the procedures outlined in this Code of Conduct and the Child Protection and Safeguarding Policy, ensuring that they do not act in a way that may put pupils at risk of harm, or lead others to question their actions.

In accordance with the school's Child Protection and Safeguarding Policy, staff members will be prepared to identify pupils who may be subject to, or at risk of, the following types of abuse and neglect:

- Physical abuse
- Emotional abuse
- Sexual abuse

- Neglect
- Peer-on-peer abuse
- Serious violence
- FGM

If a staff member identifies a pupil who is subject to, or at risk of, the abuse and neglect mentioned in 2.4, they will follow the necessary reporting and referral procedures.

If you are unsatisfied with the response received by a DSL in relation to a concern you have about a child, it is your duty to refer the concern to the Children's Advice and Duty Service (CADS) by calling 0344 800 8020 (public telephone number). Staff members also have a direct line they can contact.

Any staff member that has concerns about a staff member's actions or intent that may lead to a pupil being put at risk of harm will report this in line with the Whistleblowing Policy to the Headteacher immediately so appropriate action can be taken.

If a staff member feels unable to raise an issue with the school, they will use other whistleblowing channels, including contacting the NSPCC's helpline on 0800 028 0285 (between the hours of 8:00am and 8:00pm Monday to Friday) or email [help@nspcc.org.uk](mailto:help@nspcc.org.uk). Staff members can also access guidance at [www.gov.uk/whistleblowing](http://www.gov.uk/whistleblowing).

If the concern is regarding the Headteacher, staff will report this to the Chair of Governors.

All staff will partake in the appropriate safeguarding and child protection training at least annually; additionally, all staff will receive regular safeguarding and child protection updates.

Staff will be aware that confidentiality will never be promised to a pupil. Staff will understand the procedure for if a pupil discloses a potential safeguarding issue, in accordance with the school's Child Protection and Safeguarding Policy.

Staff will be aware of the school's legal duty to refer anyone who has harmed, or poses a risk of harm to a child or vulnerable adult, to the DBS – this includes where:

- The harm test is satisfied in respect of that individual
- The individual has received a caution or conviction for a relevant offence, or if there is reason to believe that the individual has committed a listed relevant offence
- The individual has been removed from working in regulated activity or would have been removed if they had not left their post

## **Appearance and dress**

The school expects that staff members will:

- Ensure that their appearance is clean and neat when at work or representing the school.
- Dress in a manner that is appropriate to their role.
- Remember that they are role models for pupils, and that their dress and appearance should reflect this.
- Not dress in a way that is likely to be viewed as offensive or would cause embarrassment to pupils, parents, colleagues or other stakeholders.
- Footwear should be suitable for responding to the needs of children, including moving with haste.

## **Attendance**

The school expects that staff members will:

- Attend work in accordance with their contract of employment and associated terms and conditions in relation to hours, days of work and holidays.
- Make routine medical and dental appointments outside of their working hours or during holidays where possible.
- Follow the school's absence reporting procedure when they are absent from work due to illness or injury, as follows:
  - Telephone the Headteacher as soon as possible up to 9pm the night before or from 6am on the morning of absence.
  - The Headteacher's mobile telephone number is 07765817342.
  - If the staff member is well enough to do so, they should also contact other staff who will be directly affected, so they are aware they may need to help cover absence.
  - On the day of absence, absent staff should telephone the school office by 3pm to report if they will be returning to work the next day.
  - If the staff member is too unwell or unable to telephone by 3pm, they should contact the Headteacher on her mobile during the times stated above.
  - If the staff member is unwell on a Friday, they should contact the Headteacher over the weekend to give her an update about when they will return to work. They should contact her by 6pm on Sunday, even if it is to say they will 'phone again in the morning.

## **Professional behaviour and conduct**

Staff members are expected to co-operate and collaborate with and treat other colleagues, pupils, parents, and external contacts with dignity and respect.

Staff must maintain high standards and professionalism in their communication (both verbal and non-verbal) with all other stakeholders including other staff at all times.

The use of foul and abusive language will not be tolerated.

Discrimination, bullying, harassment or intimidation, including physical, sexual and verbal abuse, will not be tolerated.

Staff members will not misuse or misrepresent their position, qualifications or experience, or bring the school into disrepute.

Staff members will inform the Headteacher if they are subject to a criminal conviction, caution, ban, police enquiry, investigation or pending prosecution.

Staff will be aware that professional behaviour and conduct is expected to be extended to extra-curricular trips and visits too. All staff attending a trip or visit will act in accordance with this policy.

All staff will use a positive approach to behaviour management. If an incident occurs where a child or others are at risk, or a child is causing serious damage or disruption, trained staff will act using appropriate techniques, up to and including the use of physical intervention.

Staff should be encouraging and positive with all children and look for reasons for negative behaviours - that may include their own behaviours as contributing factors. They should discuss this, where appropriate, with their line manager, SENDCo or Headteacher.

Staff are expected to work with all pupils and should never attempt to refuse to do so.

## **Conduct outside of work**

Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school. The nature of the work cannot be seen to bring the school into disrepute, nor be at a level which may contravene the working time regulations or affect an individual's work performance.

Staff will not engage in outside work which could seriously damage the reputation and standing of the school or the employee's own reputation, or the reputation of other members of the school community. In particular, criminal offences that involve violence, possession or use of illegal drugs or sexual misconduct are unacceptable.

Staff will not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute. This is explored further in [section 15](#).

### **Smoking, alcohol and other substances**

Staff will not smoke on the school premises.

Staff will not smoke whilst working with or supervising pupils off-site, such as when on educational visits and trips.

The taking of illegal drugs or alcohol during working hours is unacceptable and will not be tolerated. Staff members must never attend work under the influence of alcohol or illegal drugs.

If alcohol or drug usage impacts on a staff member's performance, the school has the right to discuss the matter with the employee and take appropriate action in accordance with the school's disciplinary procedures, including referral to the police.

### **Health and safety**

Staff members will:

- Be familiar with and adhere to the school's Health and Safety Policy and ensure that they take every action to keep themselves and everyone in the school environment safe and well.
- Comply with health and safety regulations and use any safety equipment and protective clothing which is supplied to them.
- Comply with hygiene requirements.
- Comply with accident reporting requirements.
- Inform the Headteacher of any paid work which is undertaken elsewhere, for compliance with The Working Time Regulations 1998 (as amended).

8.2 Personal health – it is wise and prudent, that if a member of staff has a health issue, i.e. asthma, then a health care plan should be drawn up so that at the very least the Headteacher is aware of the problem, and with permission the school first aiders are aware to ensure the wellbeing of all staff.

### **Declaration of interests**

Staff members are required to declare their interests, both personal and financial, where the group or organisation they are affiliated with would be considered to be in conflict with the ethos of the school.

For the purposes of this policy, a financial conflict of interest is one where there is, or appears to be, opportunity for personal financial gain, financial gain for close relatives or friends, or where it may be reasonable for a third party to take the view that financial benefits may affect an individual's actions.

The term 'financial interest' means anything of monetary value, including the following:

- Payments for services
- Equity interests
- Intellectual property rights
- Hospitality or gifts

Examples of financial interests that must be declared include, but are not limited to, equity interests in services considered for use by the school.

Non-financial conflicts of interest can also come into conflict, or be perceived to come into conflict, with an individual's obligations or commitments to the school. These interests may include any benefit or advantage including, but not limited to, direct or indirect enhancement of an individual's career or gain for immediate family or someone with whom the individual has a close relationship.

Examples of situations that could give rise to non-financial conflicts of interest include the following:

- Pressure or temptation to accept gifts, inducements or hospitality
- Participating in the appointment, hiring, promotion, supervision or evaluation of a person with whom the individual has a close personal relationship
- Where a member of staff has or develops a close personal relationship with a colleague

Membership of a trade union or staff representative group does not need to be declared.

Staff members will also carefully consider whether they need to declare their relationship with any individual where this might cause a conflict with school activities.

Failure to make a relevant declaration of interest is a very serious breach of trust and therefore, if employees are in doubt about a declaration, they are advised to contact the school or trade union.

All declarations, including nil returns, will be submitted in writing to the Headteacher for inclusion on the Register of Business Interests.

## **Relationships with pupils**

The school expects that staff will:

- Maintain professional boundaries and relationships with pupils at all times, and will consider whether their actions are warranted, proportionate, safe and necessary.
- Act in an open and transparent way that would not lead to others questioning their actions.
- Ensure that they do not establish social contact with pupils for the purpose of securing a friendship, or to pursue or strengthen a relationship.
- Ensure that they do not develop personal or sexual relationships with pupils: this includes sexual remarks and discussing their own sexual relationships with, or in the presence of, pupils.
- Only contact pupils via the school's established mechanisms: personal phone numbers, email addresses or social media platforms will not be used to contact pupils.

Under the Sexual Offences Act 2003, it is an offence for a person aged 18 or over to have a sexual relationship with a child under 18 where that person is in a position of trust in respect to that child, even if the relationship is consensual.

## **Physical contact with pupils**

The school understands that there are circumstances in which it is entirely necessary for staff to have physical contact with pupils, e.g. when applying first aid and assisting with intimate care, but staff will only do so in a professional and appropriate manner in line with relevant school policies.

When physical contact is made with pupils, it is imperative that it is conducted in a way which is responsive to the pupil's needs, is of limited duration and is appropriate to their age, stage of development, gender, ethnicity and background.

Staff will seek the pupil's permission, where possible, before initiating contact.

Staff will always use their professional judgement when determining what physical contact is appropriate, as this may differ between pupils. As such, the pupil's feelings and wishes will always be taken into account.

Staff will never touch a pupil in a way which is indecent and will always be prepared to explain their actions.

Staff will be aware that even well-intentioned physical contact may be misconstrued by a pupil, an observer or by anyone to whom this action is described, and therefore will be prepared to justify their actions.

Staff will not engage in rough play, tickling or play fights with pupils.

Extra caution will be taken where it is known that a pupil has previously suffered from abuse or neglect.

Physical contact will never be secretive; if a member of staff believes an action could be misinterpreted, this will be reported to the Headteacher and appropriate procedures will be followed.

Where it is necessary in PE classes for teachers to demonstrate use of equipment, this will be conducted with another member of staff if possible. If a pupil is required to participate, their consent will be given before doing so.

If a child is in distress and in need of comfort as reassurance, staff may use age-appropriate physical contact, such as placing their hand on the pupil's shoulder. Staff will remain self-aware of their actions at all times and ensure that their contact is not threatening, intrusive or subject to misinterpretation.

Staff may also use reasonable force as a means of physical contact with pupils for restraint purposes, such instances will always be in accordance with the school's Step on, Step Up training. A Record of Use of Reasonable Force form should be completed and passed to the Headteacher. Records are kept in the Safeguarding File.

## **Changing**

Pupils are entitled to respect and privacy whilst they are changing before/after PE; however, a level of supervision is required to ensure that pupils are safe, and that they are not subjected to bullying.

The supervision will be appropriate to the needs and ages of the pupils, and sensitive to the potential for embarrassment.

Staff will announce their intention of entering the area where children are changing to allow pupils to maintain their privacy.

Staff will never change in the same area as pupils.

## **Transporting pupils**

Staff will only transport pupils using private vehicles in exceptional circumstances and with agreement from the Headteacher.

When it is necessary to transport pupils off-site, staff will ensure that the transport arrangements of the vehicle meet all legal requirements, they have an appropriate licence and the vehicle is roadworthy, has a valid MOT certificate and is insured.

Staff will gain consent from parents before transporting pupils and will be aware that the welfare of all pupils in the vehicle is their responsibility.

Two or more staff, where possible, should be present in the vehicle to avoid any discrepancy regarding safeguarding concerns.

### **Financial inducements**

Staff members will:

- Familiarise themselves and comply with the school's financial regulations.
- Declare to the governing board, in writing, any gifts received, with the exception of:
  - Low cost, functional items suitable for business rather than personal use and displaying the supplier's logo – these items may be accepted.
  - Gifts offered by parents or pupils to school staff to express their gratitude.
  - Hospitality in the form of meals and drinks where it is part of a normal business meeting.
  - Authorised visits to exhibitions, demonstrations, conferences, business meals and social functions in connection with the school's business, which shall be at the school's expense.
- Not accept a personal gift, payment, or other incentive from a business contact – any such gifts should be returned.
- Declare any gift that cannot be returned, to the governing board - who will decide how it will be used.
- Only accept offers to specific events after authorisation from the governing board.

### **Acceptable use of technology**

Staff will adhere to the procedures outlined in the school's Online-safety Policy at all times.

Staff are required to employ the highest security settings on any personal profiles they may have.

Staff will not engage in inappropriate use of social networking sites including contacting pupils in any way or having any child under the age of 13 as a 'friend.'

It is strongly recommended that staff do not have parents as 'friends.' The school understands that some staff members live in the community and may have friends who are also parents of pupils. In this case staff will exercise their professional judgement and will not contact school parents on social media if this would lead to a conflict of interest.

Staff will remain mindful of their use of social media and their web-based presence including use of language, profile name, written content, videos or

photographs, and views expressed directly or indirectly which may bring themselves, the school or the school community into disrepute.

Any direct or indirect comments or questions that come to the attention of an employee via social media regarding the school should be directed immediately to the Headteacher.

### **Premises, equipment and communication**

School equipment and systems are available only for school-related activities and will not be used for the fulfilment of another job or for personal use, unless specifically authorised by the Headteacher.

Illegal, inappropriate or unacceptable use of school equipment or communication systems may result in disciplinary action and, in serious cases, could lead to an employee's dismissal.

Only the systems manager should install software onto school equipment. All other installations must be cleared with the ICT technician before installing e.g. printers etc.

A school / LA email account should be used for all work related communication. It must not be used to circulate personal emails.

Employees receiving inappropriate communication or material, or who are unsure about whether something he/she proposes to do might breach this policy, should seek advice from the Headteacher.

The school reserves the right to monitor emails, phone calls, internet activity or document production, principally in order to avoid offensive or nuisance material and to protect systems from viruses, but also to ensure proper and effective use of systems.

Communication systems may be accessed when the school suspects that the employee has been misusing systems or facilities, or for the investigation of suspected fraud or other irregularity. Access will be secured by the systems manager, only with the permission of the governing board.

Passwords should not be shared and access to computer systems must be kept confidential except on the express request of the Headteacher. Breaches of this confidentiality may be subject to disciplinary action.

School equipment that is used outside the premises, e.g. laptops, will be returned to the school when the employee leaves employment or if requested to do so by the Headteacher.

Personal mobile phones should only be used during break periods in staff only areas of the school.

## **Photography and videos**

Photographs and videos will only be taken using school equipment – using personal mobile phones for this purpose is prohibited, in accordance with the school's Mobile Phone Policy.

Photographs will be uploaded to the secure staff public server and erased from portable devices at least weekly.

Consent for taking photographs will be obtained from parents.

Pupils who have not provided consent via their parents to have their photograph taken or be filmed will have their wishes respected.

All photographs and videos will be available for scrutiny, and staff will be prepared to justify the images or footage taken.

Careful consideration will always be given to the activities which are being filmed or photographed, to ensure that images or videos are not indecent and cannot be misused.

## **Data protection and confidentiality**

Regarding personal and sensitive data, staff members are required, under the GDPR and the Data Protection Act 2018, to:

- Consider the legal basis for collecting the data, ensuring that this is documented.
- Ensure that the data is stored on a GDPR-compliant server, and that the data is not held for any longer than necessary.
- Securely dispose of the data when the relevant retention period ends.
- All external memory sticks will be password protected.

Staff members will not disclose sensitive information about the school or its employees.

The only exception whereby it is acceptable for a staff member to disclose information that would otherwise be considered confidential, is when the confidential information gives rise to concerns about the safety or welfare of a pupil.

Parents/carers often need to leave messages for the school for example regarding pupil absence. Messages passed to a member of staff face-to-face must be promptly and accurately passed to the Headteacher or Secretaries.

All staff are likely at some point to witness incidents which demand confidentiality, for example, actions related to behaviour or first aid. All incidents must be

reported and dealt with in accordance with the appropriate school procedure. Incidents must not be discussed outside of school.

Staff members have the right to request access to data that is held about them. Such requests will be made to the Headteacher in writing in accordance with the school's Data Protection Policy.

### **Probity of records**

The deliberate falsification of documents, such as references, academic qualifications or legal documents, is unacceptable. Where a staff member falsifies records or other documents, including those held electronically, this will be regarded as a serious disciplinary matter and potentially a criminal offence.

### **Contacts**

Staff members will not use school business contacts for acquiring materials or services at trade/discount prices for non-school activities, unless participating in concessionary schemes arranged by trade unions or other such groups.

### **Monitoring and review**

This policy will be reviewed on an annual basis by the Governing Body and any changes made will be communicated to all members of staff.

All members of staff are required to familiarise themselves with this policy as part of their induction programme.

**This Policy is due for review in April 2023.**
